

Characterized registration instructions for students

1. Search for Characterized on the App store or Google Play.
 2. Be sure to enable notifications for full functionality of the app.
 3. Click on the “Student” tab and create an account.
 4. Enter counselor code _____ when prompted.
 5. Complete the _____ surveys in the guidance section of the app (Note: Avoid ranking yourself higher than your honest self-evaluation. This will give you more opportunity to measure improvement in the surveyed areas)
 6. Click on the person icon in the middle of the screen and take your student selfie (optional)
-
